"It's nothing," he said. In fact, rather to his annoyance, the cut had stopped bleeding.

Her hands fell slowly,.island of Enlad.."And the ... the students?".Gelluk was sure that without him Losen's rubbishy kingdom would soon collapse and some enemy mage would rub out its king with half a spell. But he let Losen act the master. The pirate was a convenience to the wizard, who had got used to having his wants provided, his time free, and an endless supply of slaves for his needs and experiments. It was easy to keep up the protections he had laid on Losen's person and expeditions and forays, the prisoning spells he had laid on the places slaves worked or treasures were kept. Making those spells had been a different matter, a long hard work. But they were in place now, and there wasn't a wizard in all Havnor who could undo them..grew pink. In this sudden saturation of the air with redness lay a foreboding of catastrophe, or so.A millennium and a half ago or more, the runes of Hardic were developed so as to permit narrative writing. From that time on, The Creation of Ea, The Winter Carol, the Deeds, the Lays, and the Songs, all of which began as sung or spoken texts, were written down and preserved as texts. They continue to exist in both forms. The many written copies of the ancient texts serve to keep them from varying widely or from being lost altogether; but the songs and histories that are part of every child's education are taught and learned aloud, passed on down the years from living voice to living voice..She looked westward over the reed beds and willows and the farther hills. There, on the outer beach, both exhausted, they faced each other and fought, "talon and fire and word and sword," until:"I'll be in the Grove," she said. And "a woman on Gont", whoever she may be, has no place among the men on Roke. Eh? The Windkey, the Chanter, the Changer, the Hand, say he is right. And as King Lebannen is one returned from death, fulfilling that prophecy, they say so will the Archmage be one returned from death."."And when he doesn't have any?""It is. They did that? Yet it is in Hur-at-Hur that people keep the most vivid conviction of the original kinship of human and dragon kind.
