Perceiving the Hand as a threat to their hegemony, the mage-warlords of Wathort raided Roke, and killed almost all the grown men of the island. But the Hand had already stretched out to other islands all around the Inmost Sea. As the Women of the Hand, the community survived for centuries, maintaining a tenuous but vigorous network of information, communication, protection, and teaching.. "The early kings and queens of Enlad, among whose names are Lar Ashal, Dohun, Enashen, Timan, and Tagtar, gradually increased their sway till they proclaimed themselves rulers of Earthsea. Their reign extended no farther south than Ilien and did not include Felkway in the east, Paln and Semel in the west, or Osskil in the north, but they did send explorers out all over the Inmost Sea and into the Reaches. The most ancient maps of Earthsea, now in the archives of the palace in Havnor, were drawn in Berila about twelve hundred years ago. Several times, all of a sudden, in the daytime, there had been a moment when she had known him close in mind and could touch him if she reached out.
