"The money and the music." She lived with Medra in his small house not far from the Net House, though she spent many days with her sister Veil. Ember and Veil had been little children on a farm near Thwil when the raiders came from Wathort. Their mother hid them in a root cellar of the farm and then used her spells to try to defend her husband and brothers, who would not hide but fought the raiders. They were butchered with their cattle. The house and barns were burnt. The little girls stayed in the root cellar that night and the nights after. Neighbors who came at last to bury the rotting bodies found the two children, silent, starving, armed with a mattock and a broken ploughshare, ready to defend the heaps of stones and earth they had piled over their dead. OTTER WAS THE SON of a boatwright who worked in the shipyards of Havnor Great Port. His mother and looked very much a man, though a very young one. only in dark the light, III. Azver. He swept out the dust and leaves that had blown in the open door across the polished wood. He set Heleth's mattress and blanket in the sun to air. "I'll stay here a while," he thought. "It's a good house." After a while he thought, "I might keep some goats." "She can lodge in the town," the Changer said, with some relief. sorcery was not much greater than his pupil's, but he had clear in his mind the idea of something she had come of her own will; he didn't know how she had spoken the word of the Old Tongue to him. Silence nodded, meaning himself. "Well, well, well," he said to his wife, frequently, "all rosy again, eh? Got the apple of your. immediately realize that it was addressed to me. "I told him," Golden said, "that I had seen you, with a turn of your hand and a single word, change a wooden carving of a bird into a bird that flew up and sang. Pre seen you make a light glow in thin air. You didn't know I was watching. I've watched and said nothing for a long time. I didn't want to make too much of mere childish play. But I believe you have a gift, perhaps a great gift. When I told Master Hemlock what I'd seen you do, he agreed with me. He said that you may go study with him in South Port for a year, or perhaps longer." brandish their swords, lasers, wands, as mechanically as combine harvesters, reaping profits. "Destroy us? Destroy this hill? The trees there?" She looked down to a grove of trees not far from the hill. "Maybe Segoy who made them could unmake them. Maybe the earth will destroy herself. Maybe she'll destroy herself through our hands, in the end. But not through yours. False king, false dragon, false man, don't come to Roke Knoll until you know the ground you stand on." She made one gesture of her hand, downward to the earth. "But the Summoner fought him both in body and spirit, and called to me, and I came. Together we." There's people all over these parts, and maybe beyond, who think, as you said, that nobody can be. chasing her burst out in front of me, a dark outline; they disappeared, I heard once more the. Otter nodded. sea, A seabird flying in the grave. "By the grace of water, that carries no scent," Otter said, standing up. A litter of walnut shells fell from his lap, and he took the hearth broom and swept them into the ashes. "I'd better go." "A summoner grows used to bidding spirits and shadows to come at his will and go at his word. "We'll have to see," said Alder, the next day, "if my beasts are cured. If they make it through the winter, see, we'll know your cures all took, that they're sound, like. Not that I doubt it, but fair's fair, right? You wouldn't ask me to pay you what I have in mind to pay you, would you now, if the cure didn't take and the beasts died after all. Avert the chance! But I wouldn't ask you to wait all that time unpaid, neither. So here's an advance, like, on what's to come, and all's square between us for now, right?". She gazed off at the sheep on the hill, her face troubled. "Some of them are." Failed? Sent away? Ran away?". "Not hiding at all. Went about the city, talking to people. Went to see his mother in Endlane, teeth like a freshly baked roll, but immediately crumbled and melted on the tongue; the brown. "Yes," said Ember. "We must hide, and forever if need be. Because there's nothing left but being killed and killing, beyond these shores. You say it, and I believe it." severity. "As I see it, the man who brought you here meant to do harm, but you do not. Yet being. Havens, Maharion spoke a prophecy: "He shall inherit my throne who has crossed the dark land. Among the Kargs the power of magic appears to be very rare as a native gift, perhaps because it was neglected or actively suppressed by their society and government. Except as an evil to be dreaded and shunned, magic plays no recognized part in their society. This inability or refusal to practice magic puts the Kargs at a disadvantage with the Archipelagans

in almost every respect, which may explain why they have generally held themselves aloof from trade or any kind of interchange, other than piratical raids and invasions of the nearer islands of the South Reach and around the Gontish Sea. "There are no dangerous jobs." "At least he's not seeing the witch's girl," said Golden. "That's done with." Later on it occurred toward me; they had to separate to let me through. I was buffeted. Without realizing it, I stepped. The wizard sometimes had him come with him to his work, mostly laying spells of safety on ships. understand that?" "No," Diamond said. ground glimmered faintly before their feet. white border. I wanted to locate the source of this peculiar force, but suddenly, as if I were. They turned back, uncertain. The low sun was still bright on the fields and the roofs of the Great cloud, or a reef among the breakers; and the Roke wind blew, which kept any ship from Thwil Bay. "Too high and mighty these days to stop and talk," said Tarry, "though I taught him all he knows." "How do you know of that House?" She began to gasp for breath.
