"Worms," said the helmsman, the master's brother. "Catch fish anywhere near Roke, you'll find em thick with worms as a dead dog on a dunghill." Erreth-Akbe's gifts in magic became apparent when he was still a boy. He was sent to the court to be trained by the wizards there, and the Queen chose him as a companion for her son. "Even if I argued for you. They won't listen. The Rule of Roke forbids women to be taught any high. South of Andanden lies a land where the ashes fell a hundred feet deep when last the volcano spoke. Rivers and streams cut their way seaward through that high plain, winding and pooling, spreading and wandering, making a marsh of it, a big, desolate, waterland with a far horizon, few trees, not many people. The ashy soil grows a rich, bright grass, and the people there keep cattle, fattening beef for the populous southern coast, letting the animals stray for miles across the plain, the rivers serving as fences. that he thought about his pupil, and not until he had eaten supper alone that he admitted that. She lay awake in the little house, feeling the air stifling and the ceiling pressing down on her, then slept suddenly and deeply. She woke as suddenly when the east was just getting light. She went to the door to see what she loved best to see, the sky before sunrise. Looking down from it she saw Azver the Patterner rolled up in his grey cloak, sound asleep on the ground before her doorstep. She withdrew noiselessly into the house. In a little while she saw him going back to his woods, walking a bit stiffly and scratching his head as he went, as people do when half awake. the installation of officials.
